# CREATING A TRULY GLOBAL INDIA

“India has emerged as a leading global investment destination. This is a testimony to the steady pace of its structural reforms, simplification of procedures, and far-sighted foreign investment policies. States have been enthusiastic partners in this journey. I am confident that the Vibrant Gujarat Global Summit -2017 will provide a platform for policy-makers, investors and experts to explore new opportunities for economic growth and sustainable development.”

Narendra Modi  
Prime Minister

## INDIA'S BRIDGE TO GLOBAL OPPORTUNITIES

## WELCOME TO GUJARAT THE WORLD'S GATEWAY TO INDIA

**Nitin Patel**  
Deputy Chief Minister

"Converting any challenge into an opportunity for development and growth is the spirit of the people of Gujarat; which has resulted in Gujarat leading from the front for a prosperous, peaceful and progressive India. The state will continue to take forward the agenda for inclusive and sustainable development. Progressive policies, business friendly environment and proactive governance, which have also become synonymous with Gujarat over the last decade, will be the guiding pillars. Gujarat will continue developing an enabling ecosystem through sharing of knowledge, technology, experience, skills and values. The Vibrant Gujarat Global Summit 2017 is an effort in this direction; where people of India and the world will meet to network and deliberate for building mutually enriching relationships for a better tomorrow."

**Vijay Rupani**  
Chief Minister

# STAND TALL ON A GLOBAL PLATFORM

The Vibrant Gujarat Global Summit, since its inception in 2003, has established itself as the biggest international business event of India. It is a visionary approach towards inclusive development, by ensuring policy driven governance and effective business promotion.

The biennial Summit is now a unique forum for exploring investment opportunities, sharing knowledge and networking; while, at the same time, addressing the current national challenges.

The Summit 2017 will bring together Heads of States and Governments, policy makers, corporate leaders, intellectuals and experts from across the world to further investments and promote economic cooperation.

## BUSINESS OPPORTUNITIES GALORE

---

Mr. Ban Ki Moon  
Secretary General, United Nations

“Gujarat can be the crossroad for development.”

Mr. John Kerry  
Secretary of State, USA

“Gujarat is the home state of your visionary Prime Minister. He has already made the name 'Gujarat' synonymous with possibilities, with change, with energy.”

Dr. Jim Yong Kim  
President, World Bank

“Our success, as an institution, is closely tied with the economic growth and development of India. For this reason, we are committed to catalyzing a Vibrant India in addition to a Vibrant Gujarat.”

Mr. Osamu Suzuki  
Chairman, Suzuki Motor Corporation

“Gujarat is definitely superior in terms of infrastructure development and ease of doing business and, hence, the company opted for Gujarat as the next location for our plant. The company has selected Gujarat for its new facility because it has good infrastructure of roads and has abundant power supply.”

---

Mr. Mukesh Ambani  
Chairman, Reliance Industries Limited

“I urge each and every investor to follow our path and invest in Gujarat, just as we did.”

Mr. Cyrus Mistry  
Chairman, Tata Group

“In Gujarat, we see a culture of implementation and our commitment in Gujarat goes beyond industrialization and investment. We, as the Tata Group, will continue to invest in the state.”

Mrs. Chanda Kochhar  
MD and CEO, ICICI Bank

“This event has now become an institution in itself. Gujarat is not only the fastest growing state in the country but it has become one of the fastest growing regions of the world.”

Mr. Sam Walsh  
CEO, Rio Tinto

“We will add 30,000 jobs in diamond cutting industry. Looking forward to the impetus that Vibrant Gujarat will provide.”

## Gujarat – a Well Connected State

With a coastline of 1600 km, Gujarat is well connected to all the major port-based trade routes, such as USA, Canada, Europe, Australia, China, Japan, Korea, Gulf & African countries, and major trade centres of the world by air.

Gujarat acts as a Gateway to the rich northern and central hinterland of India; connecting it via road, rail and air - thereby providing immense business opportunities.
