Sub: Expedition of spares for Cold Iso-static press (CIP) – supplied by Swedish company -reg.

Ref: 1.HAPP letter No. HAPM/MM/FP/PRESSURE INTENSIFIER/2017-18 dtd:25/01/2018
2. HAPP e-mail dtd: 17/02/2018

With reference to our letter cited at (1) and further clarifications provided by HAPP vide e-mail cited at ref. (2) regarding the subject spares for Cold Iso-static press to be supplied by the original equipment supplier M/s. Quintus Technologies AB, Sweden, there is no further communication received from you. The subject spares required very urgently for the production of FSAPDS projectile and unable to meet the demand of army. Hence, you are kindly requested to take up with your Swedish counterpart to provide export license for the subject spares at the earliest please.

This is for your kind information and immediate necessary action please.
