Dear Sir,

I am glad to inform you that the Department of Chemicals and Petrochemicals is organizing the 12th edition of INDIA CHEM in association with the Federation of Indian Chambers of Commerce and Industry (FICCI). The event will be organized during 2nd - 3rd November 2022 at Pragati Maidan, New Delhi, India with the theme "Vision 2030: Chemicals and Petrochemicals Build India". India Chem is India's largest composite event of Chemicals, Petrochemicals, and Technologies, Process Plant Machinery, Controls & Automation System Industry.

2. The Indian Chemicals and Petrochemicals industry is the backbone of the Indian economy and plays a vital role in the growth of various key sectors like automotive, construction, electronics, health care, textiles and FMCG. India's export of Chemicals for 2021-22 has hit a record at US\$ 29,296 Million registered an overwhelming growth of 106% over 2013-14.

3. Despite the challenges posed by the COVID-19 pandemic, the 11th edition of India Chem 2021 witnessed enthusiastic participation from Global Industry leaders. During India Chem 2022 events like Global CEOs, Round table; Conclave on Indian Chemicals & Petrochemicals; Agro-chemicals Industry; Plant Machinery, Pumps & Valves; Chemicals & Petrochemicals forums of India – USA, India – EU & India- East Asia and international Exhibition will take place.

4. In view of the current geopolitical scenario, global chemical companies have begun to diversify their supply sources. Indian Chemicals and Petrochemicals sector has emerged as preferred destination for alternate manufacturing. During the financial year 2021-22, the Chemical & Petrochemical Sector attracted an investment of US \$ 966 Million. Global leaders are now looking positively towards India, hence India Chem will be ideal platform to highlight the potential, investment opportunities, and government policy of the sector. It will also offer networking opportunities for national and global players to interact, exchange knowledge and forge alliances.

5. I seek your assistance for promoting the event and pursuing the matter with the leading associations and companies in the territorial jurisdiction of your Mission. I request you to invite them to participate in "India Chem 2022" both as exhibitors and visitors and follow up with them over the next few months.

6. For further details, you may visit www.indiachem.in. Also, you may get in touch with Shri Manoj Mehta, Director, FICCI (Mobile No. + 91-9891098772) email id: manoj.mehta@fikki.com or Shri K.K. Srivastava, Director, Department of Chemicals and Petrochemicals, Govt. of India, email id: Kanishk.kant@nic.in.

With warm regards,

Yours sincerely,
